

## GREAT NEWS !!

**HART has started a year round medical clinic in Haiti!!**

The HART of Jesus Clinic, at St. Jude's Parish, is located on a remote mountain where NO medical services are available.

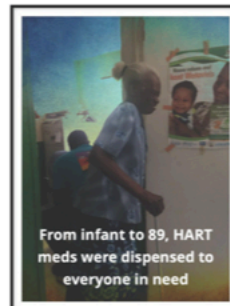

HART has recruited a Haitian medical team, headed up by Dr. Pierre.

Because of your generous love, Dr. Pierre is able to care for patients for free. (families in this area earn less than \$150 per year).

Look at the photos below of people who are being helped at the HART of Jesus Clinic.....

**Would you prayerfully consider partnering with us to fund this ministry of God's love?**
