Four Hundred People Come to Christ in "Feed My People"

A message from Father Louis, Pastor of St. Anne's in Haiti:

“...A few days ago when we did our last food distribution from HART,
we gave a food bag to each person.

I was able to gather about 400 people
and share The Gospel with them.

I then invited them to freely commit or recommit their lives to Jesus.

Then we moved into worship songs
about the fidelity of God,
asking Jesus to take our hearts.

Really powerful moment!

I think some people heard the kerygma for the first time that day.

Thank you, HART! “

Merci, Merci, Jesus!!!!
